

# MOR Consulting Services expands into Gloucester

MOR Consulting Services, LLC, a one-stop shop for back office solutions, has expanded into Gloucester County.

The firm's first office is located in the Oyster Point section of Newport News on Rock Landing Drive. The new office is located at 2924 George Washington Memorial Highway, Hayes. Both of MOR Consulting Services offices are bilingual (English and Spanish).

The firm's services include comprehensive accounting and bookkeeping services, fractional CFO services, CPA services, tax services, and full business development services (assistance with business set-up, business plans and setting of objectives, budgets, and forecasts), and professional marketing.

MOR Consulting Services, LLC, owner and founder Mildred "Nany" Gonzalez has been helping businesses large and small grow and thrive for more than 20 years. She has extensive background in critical business functions, based

on both advanced formal training and hands-on experience, a release stated. She is a seasoned business executive with in-depth experience in the management of accounting, human resources and inventory systems of diverse multimillion dollar regional and national organizations.

Gonzalez holds a bachelor of science degree in business and accounting, in addition to various professional certifications and accreditation. She is fluent in English and Spanish, and a noted public speaker and presenter.
